

# Improvement plan for Moorak Primary School

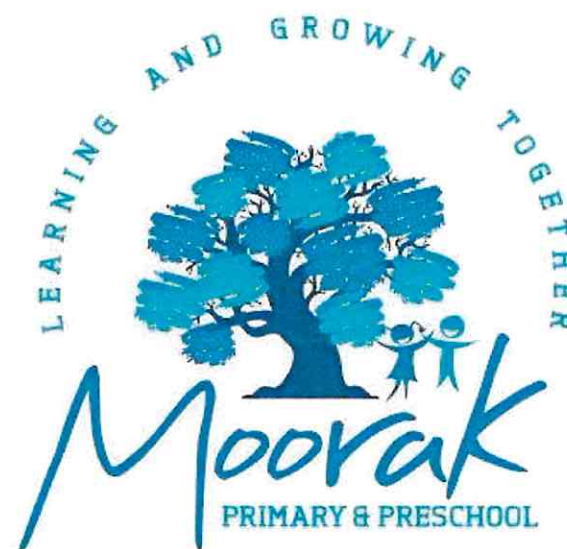

2019 to 2021

School name

Moorak Primary School

Vision statement

At Moorak Primary and Preschool we strive to develop independent, socially competent, innovative problem solvers who value life-long learning. We will do this through high quality teaching programs that allow greater student agency and by developing independent powerful learners who demonstrate a growth mindset, strong social and emotional well-being and tolerance. We recognise the importance of partnerships between children, staff and parents and we actively promote collaboration between our school community and businesses across the Limestone Coast and beyond.

# Plan summary

This table will be automatically populated to provide a summary of your plan.

Goals	Targets	Challenge of practice
To increase the number of students achieving in the higher bands in Numeracy	Increase by 5 the number of students in Years 3 - 7 achieving above the expected norms in PAT M and 3 students in the higher bands in NAPLAN	If we adopt a common approach to teaching problem solving and use effective goal setting in one minute maths then we will expand students fluency and this will increase the number of students achieving in the upper bands in Numeracy.
	Increase by a further 5 the number of students in Years 1 - 7 achieving above the expected norms in PAT M and an increase of 2 students in the higher bands in NAPLAN	
	25% of students in Years 3-7 achieving above the expected norms in PAT M and 25% of Year 5 and 7 students to achieve in the higher bands in NAPLAN Numeracy	
To increase the number of students Y1 to Y3 in the upper bands of reading	The number of students enrolled in Year 5 2019 achieving high growth in NAPLAN reading will increase by 5%	If we adopt a whole school common approach to explicitly delivering guided reading and implement Initial Lit from Reception through to Year 2 then we will increase the number of students achieving in the higher bands in reading from Year 1 to Year 3
	Increase by 5 the number of students in Year 1 to Year 3 achieving above the expected norms in PAT R and for 3 students to achieve in the upper bands in NAPLAN	
	The number of students enrolled in Year 5 2021 achieving high growth in NAPLAN reading will increase by 10%	
To increase the number of students achieving in the higher bands in writing	The number of students enrolled in Year 5 2019 achieving in the upper bands in NAPLAN writing will increase by 10%	If we use Brightpath writing assessments more effectively to determine students strengths, next steps and set student goals, we will increase the number of students achieving in the the upper bands in writing.
	Increase by 10% the number of students achieving at or above the all schools average in Brightpath writing and increase by 3 students achieving in the upper bands in NAPLAN writing	
	The number of students enrolled in Year 5 2021 achieving high growth in NAPLAN writing will increase by 10%
